

Grand Island Neb.

June 1st 1870 -

Rev. Mr. Jackson,

Dear Sir; I have had no report of sufficient importance to send to Philadelphia. I have preached twice each Sabbath during the month of May - each time to a very fair audience.

There is no special religious interest manifest in either place, but the people seem to listen, and we hope for better things.

I have continued to do a little visiting, not as much as I think I shd. when I came here, nor as much. I judge, as to satisfy Father Mitchell, but as much as I have considered best for the cause, under the circumstances.

Mr. Mitchell has thought best to defer a collection for a little

time, and if it is convenient
I would be glad to receive 25
or 30 \$ ~~at~~

The board at N. Platte will be
paid - "Small favors thankfully
rec^d". They may do more after a
few weeks.

I am staying now with Rev.
Mr. Marquett. He moves, and
I will have ^{to} find a new place
next week. -

Please remember me
very kindly to Mrs Jackson.

I remain sincerely Yr. bro.
in Christ

Dear Gov. Jackson,
I know
not whether this will find
you at home or not.
But we are in haste to
know what our prospects
are, regarding the 1500, or \$
^{for wh.} we made application to
the Board. We have cho-
sen a plan & received the
bids on the same. The
building capable of seat-
ing 248 persons will cost
3000. \$, 2500. \$ raised
here, & lots to the value
of 1000 \$ donated by Mr.
Harvey of Baltimore,
gives the amt of available
funds - 3500. \$. With 1500,
from the Board we shall

be able to dedicate
the little house to the
Lord free from debt.

I write - at the request
of the Elders & Board of
Trustees, & you will
relieve us of much
anxiety by a speedy
reply.

We should be glad to
receive any assurances
you may be able to give
us - tho' the Board may
not have had a session
& also the members operands
of securing their appropri-
ation.

We should also be glad
to have a visit from you.
Our building is to be com-
pleted by Oct. 1st or we
perpet our subscription.
With - love to you &

yours, informing
you that we have a
little son - born on the
30th anniversary of our
wedding (May 25th)
I am yours
as ever -

Dear Brother

I write you
to say that I wish to change my field of
labor from St. Vrain to Golden city.
I went to Golden city last week and
preached morning and evening. I found
that the Episcopalians had stolen your
Elder, and I thought at it time to look after
the rest of them. I am to go there next sabbath
and administer the sacrament. The Methodist
minister wished me to have a union service

in his Church and administer the Sacra-
ment to his Church also.

I think I can find a number of mem-
bers to unite by letter, and some on profes-
sion of faith.

I shall move my mines to Golden
city, and if I can change my field of
labor there also, it will suit me well
and I think I can do more good there.

If you have not got a man appointed
for them, it will be easy to make the
change. Shall be glad to hear from you
soon, at Golden city, also to see you as
soon as may be. Yours fraternally

Dear Bro. Jackson:

I drop you a note in relation to the seats. Johnson says you told him you did not intend Bridges to do that, and that you would attend to that as you went through Chicago.

By the last of next week the house will be completed ready for the seats, and we should have them here.

Johnson says Bridges writes him that he will be out here next week, and expect to have the house accepted while he is here. Who is to accept it? As you are the contracting party, I don't suppose any body here will take the respon-

libility of accepting for you.
If we are satisfied with the
job, all we can do is to
tell him "Barkis is willin",
and turn him over to you.

I have once more written
To Rawlings that if they will bear
my expenses I will give them
next Sabbath ^(i.e., to-morrow after N.) ~~next~~
Sabbath (to-morrow) two weeks. I
go again to Laramie.

As to Greeley, Bro. Brown, who
with Mr. Thompson has contracts there
for building etc., told me, he thought
there was a Presbyterian minis-
ter with the colony. He is there
now, and says he will make in-
quiry as to the facts. They have
had preaching there several times.
I cannot visit them unless I
can get a pass, as the fare
on the Denver Pacific is nearly
double the full fare on the U. P. R.R.
Full price to Laramie & return is
\$8.60 - to Greeley & return \$14.00! There
is no arrangement, that I know
of, on the D. P. R. for even half
tickets.

Yours fraternally,

W. D. Kephart.

P.S. There is an old friend of mine in
the Assembly, Dr. W. F. Wilson, of Southern Ohio,
(Pres. of Synod) should you meet him give for me
a hearty "Shile laug syne."

Laramie June 3rd 1878

Dear Sir.

Mr Brown brought me cheering news from you yesterday.

I am glad to learn that we shall have a pastor.

Both Mr B & myself wrote you, concerning the Church, & directed to 1300 Arch St. Phil.

You make no reference to having received them.

Our prayer is that our more prospered brethren in the East will assist us in building a place in which to worship.

Yours fraternally

Chas H Richards

P.S. We trust that the first time

You come this way you will stop & be with us on the Sabbath & celebrate the Lord's Supper

Dear Bro Jackson

I will now endeavor
to write you a full letter. I wrote
you a few lines on last Thursday ^{evening}
whil at the post office in order ^{that}
you might hear from me, as I promise
every two weeks. If it takes a letter as
long to reach you, as it does me, to reach
me, from you, you will not get my
letters for eight or ten days after I have
written. I have an opportunity to
send this one to Columbus in ^{your} ^{box} ⁱⁿ ^{the} ^{morning}
I am preaching once in every two
weeks, here at Madison & preach on
Butte Creek and where ever I can get
a hearing, the remainder of the time.
I have not yet had an opportunity
to preach at Norfolk: but I intend
we going up there this week and
remain there for several days, and

preach wherever I am got to; The Congregational Minister I understand, has not been making much progress.

On Battle creek & Clear creek, there are mostly, young men without families, and a good number of them are Germans, a few families are of the Lutheran Church. There is also a Methodist preacher, who has lately moved into the settlement: he lives about six or seven miles from the school house in which I preach. Mr. Zeigen lives near the school house. He and wife are very clever and pretty well off, but as far the rest of the settlers, they are generally very poor, as they are generally of the poor class who come here.

On Fox Union creek, I hardly know what to say. The Methodist & Presbyterian have got up quite a confab. I am afraid they are going to be

Like the Jews & Samaritans, have
now more dealings with each other,
The Methodists organised a Sabbath-
School, down at the lower Barnes,
and then demanded their share of
the money which had been raised
in the Sabbath^{school} last summer.
They hold their Sabbath School in
the forenoon & we, in order that
they might have an opportunity
to attend ours, hold ours in the
afternoon. I also have preaching
in the afternoon in order to ^{maintain} a connection
with them; but all that we can do does
not satisfy them; I guess they are
afraid that the Presbyterians will get
a church built here. I have taken no
part in their contention as yet, my design
is to do all the good I can & keep peace
as far as possible. Notwithstanding these
obstacles, Mr. Barnes has got a subscrip^{tion}
of over \$700 toward the erection of the
church.

I requested you in one of my letters
to send me a dozen of question books
for the Sabbath-School. We don't fear
Sabbath-School papers, and now
have sufficient to supply all the
children. I expect I shall need
some money before I leave the field
so, if you will have an opportunity
of sending with any one who so,

Affectionately yours

Dear Sir,
Since

You were here there has been
considerable feeling manifested
in religious matters, especially
during the stay of Rev Mr
Pether. I have no doubt of
having the right kind of a
clergyman here a Presbyterian
Church could start with
some promise of success. The
people here ~~don't~~ desire a
great live man - we know
we are anxious to have
from you.

The Rev Mr Hammett
preached here on yesterday
& will next Sunday
again - he is very anx-
-ious to come here, but
I am not of the opinion
he should be accepted
to the people. I told
him that the members here
had agreed with you
to procure a minister, & it
would be impossible to
enter into other arrangements
till the board gave you.
In fact they do not want
Mr Hammett at all.

I did not know but what
Mr H. had been writing to you
on the subject here. I thought
it necessary to write you on
the subject, Please let us
hear from you at
your earliest convenience

The Rail Road will
be done here this fall
& I think it advisable
to have a preacher here
before we have a great
influx of people, which
are expected.

I see in the General Assembly's reconstruction of Synods that all the churches west of the Rocky Mountains are included in the Pacific Zone. Shall I not, therefore, seek to connect myself with the Presbytery of Nevada, & for this purpose write the Presbytery of Des Moines for my letter of transfer?

A STRATEGIC POINT SEIZED.—An agent of the Home Missionary Society lately went to Cheyenne, a growing town on the Pacific R. embarrassment in rela-

strong, and it would
appear, proper repre-

resolution was
come to sanctioning
the employment of

Dear Brother

I had intended writing to you when at the Genl. Assent. at Phil^a, but owing to my absence in Minn, I have been prevented.

We are greatly in need of a bell for our church, & I knew of no one who would be able to do more for us in that way than you.

Our belfry has been completed & a debt of \$50 paid on it due to Bro Frothinghams family. The weight of the bell we require would not be over 300 or 325 lbs.

Do you not know of

some church East that
you could interest in our
behalf. Our Ladies aid Society
is doing what it can to make
the church a home for the
people, but we are unable
to obtain money for the
purchase of a bell.

Our church is still small,
but God has blessed us in
spiritual matters, & we are
looking for a number to
unite with us at our next
Communion season.

I am waiting to hear
from Father, & know where
he expects to go. If he remains
in St. Louis, I shall go
West in the Fall, somewhere
in the bounds of your
missionary labors.

I visited Rochester & spent
a Sabbath there two weeks,

Bro Killen seems to have
good congregations, & I think
is encouraged in his work.
He has lost some of his members
but received others from
the Lyota Church.

The latter church has been
reduced to four members.

Brother Mercers church at
North Bend has the frame-
work erected & will be
finished by August or Sep.

I read your letters
in the Presbyterian, Evangelist
with interest. I trust you
may be blessed in your
arduous labors, & win
many souls to the Master.

I should be glad to
hear from you when
you can find time.

Dear Bro,

Since I last

wrote to you I have spent some time
in exploring the country round Ashland.
I preached yesterday in a School-house
about 8 miles from this place up
Wahoo valley. They are not preaching
there. A Methodist preaches there
every three weeks. People are Methodist
and Linnan Baptists. One perhaps
two Presbyterians. I will preach there
again in 4 weeks. I have ten names
on the paper asking for ⁱⁿ an organization.
One more is to be added. Yet, but had
not the paper with me. There are some
others who are undecided what
to do. If an organization was made
I think our number would soon

be increased to twenty. Some I think
will come to us from the Methodist
and Congregationalist - who were formerly
with us. Perhaps we should not depend
on them. We have no good active men
to take hold of the work. This is our
greatest hindrance. Some have held
their letters for 3 or 6 years. Some brought
none with them and have been away
from Church for a similar length of
time. I don't know anything about
making an organization. Have no
book of Church government with me.
And I don't know what is necessary
in order to make an organization.
I know some material will be necessary.
I should like to know before hand
a little of what the proceedings
will be. I can't get the people in
the country to attend Church. Say
the horses are too tired. I will
have to go and make a special

request of them to be present at the
organization, and tell them of the time.
To do this I will have to visit them
at their homes. All is going on
as usual. I have a good place to
lodge now. People here are scared
considerable about the Small-Pox
It is confined to two houses as
yet. It is to be hoped it will spread
no farther. I should be glad to
have you come soon if you think
it best to organize here. Some of
the members want it. All of the male
members think it best not to
organize. I would be glad to see
you here so that the matter could
be decided. Perhaps they would then
go to work. I don't want to remain
longer than the 1st of August. And
perhaps I will want to leave sooner
and spend some time in Iowa
in view to getting a place to locate

next Summer in Iowa or Illinois.
I heard of two Churches, or rather
read in the paper of two that wished
to be united in one charge. Perhaps
I made a mistake in sending my as-
letter to Council Bluffs, but I thought
you would be home. I will send this
one there for the same reason.

I am very much obliged to you
or yours for sending me some papers.
Were it not for them I would
have no knowledge of what the world
is doing outside of Saunders CO
I should be glad to get a letter
from you but would be more glad
to have you come to see us.

yours most truly

Have come in
for preaching at Landen + Milford
Preached at C in morning + at M. in
afternoon. It is my first time at M. +
my 2^d at C. The audience at both places
was pretty good, though it might have
been better at C. The influential heads
of families at C. have no sympathy with
religion at all, nor with religious
movements except so far as their tem-
poral worldly prosperity is furthered
thereby. There are two M. Ds. a young law-
yer + other young folk who are spe-
cially anxious that I should preach
at C any other Sat.. There are some
families who are anxious to form

ular service. There are a good many
children who might be gathered in, with
some pains. There has been some talk
of organizing a S.S., which I think will
be done next Sat. The main difficulty
has been, in past years, to get a
Superintendent. I think that they will
invite one W. Brewster who has just come
in to Camden. Hope they will, - he is an
earnest, good man though not a brilliant
man in appearance. The most min-
ister there & myself will give all the
encouragement & assistance we can
but I did not feel like trying to assist
in its superintendency. There is hope
for Camden I hope, yet in some respects
it is not very bright. Did not find any
man here in that neighborhood whom I
except this man family. May his influence
be so happy that his life may prevent
many convincing sermons to his godless
neighbors. The flouring mill was in
full blast yesterday. Do not think I

Have preached twice every day. It
one, since I am here. Next Sabbath have three
appointments. I have no need for
more than one sermon a week. I in-
partially commit myself to the Christian
have no where to lay a manuscript.
I see our Synod meets at Des Moines in
July - When will you be out? Hope to exchange
with Mr. Peck in July - Hear from
Shenard & Welch. I don't feel as if
in my work when I read their letters. Accepted
my thanks for papers - Will be glad to
have a letter from you anytime. I almost
forgot to tell you of a trip that I pro-
pose making to Kansas - Starting next Monday
(20th) & returning July 2^d - Intend going from
Cimarron to Washington Co. then S.E. about
100 miles & then come back by P. & O. City
& Brant. I will then remain in a little
longer in ^{the} fall. Had contemplated leav-
ing in time to make a visit before going
East. Have a house of my own & enjoy my field
work the less I have spoken of the unpleasant
features. Will work at it as I have time -
I am

I am indulging the hope that there will
be two from the Meth. Ch. unite with us,
so that there will be no orature by exam-
ination. The movement towards putting
up a Baptist Ch this season is very slow.
They are waiting on brick. There will
be a good school house however erected
before winter sets in. Our old Elder
is now much worried on account of the
Arminian sentiment in our midst. He is
a very thorough going Calvinist. He teaches
the Bible class in the Union S.S. - my plan
for preaching after July 3^d is as follows
Br and every Sat. at 5 P.M. unless on rare
occasions - at Camden Alternate Sat. at
10 1/2 A.M. and at other points Alternate
Sats in forenoon. Was up the Blue to Whypo-
sod in Bulle co. twelve miles from here last
week did not find any Pres.^s but a very
good Episcopalian - They have no preach-
ing near here. He earnestly invited me to
come & preach sometimes in his house.
Will try to do so soon -

am discouraged entirely - But it is so
different from what I am used to that
I am deeply impressed with the state of
things. The most discouraging feature
I see is the neglect of the ordinances
of the Sab. & the laziness of the people.
There has been regular service in M.
for a year or more - yet some people
Xth (of an entire congregation) have not
been at Ch. service in over 4 y. & it is
three miles distant, or some parents who
have no horses will say it is too far for
their boys & girls to walk to Ch. & S.S.
three or four miles. Xth say this - I give
them illustrations from my own experience
- that I have always gone four miles
& walked often twenty Sab^s in succession.
But of no avail - Don't know whether these
people are in total depravity or
not but they practice the doctrine of irre-
sistibility. This is one side. I am tra-
vel that there is another side - The
attendance at Seward has been good, at all

houses and no matter who preaches. I have
canvassed a good deal since I mist, but
have not found Presbyterianism preva-
lent. Six prof'rs besides the organization
of eight are all I have found - one of the
six is U.P. - They are all within the
bounds of Seneca, except the U.P. & one
other. I left an appointment 4 five
miles from here & go on from there
into for next Sat. A.M. There are three
of the prof'ring ~~no~~ here who have not
taking the necessary steps towards proving
themselves really desirous to unite with
us when an opportunity is offered.
The one does not feel like sending for
her letter, the other two have not
lived so as to prevent such an act
from doing harm. I intend trying to get
the Elders to go with me & talk the mat-
ter over & see what their views & feelings
are. Would have had communion
July 10th had it not been for the week-
ly meeting at that time. Suppose
that we will now defer it until August

West Point Feb.

June 14th 1870.

Rev. Sheldon Jackson.

My Dear Bro.

I take it for granted that you are either home from the Assembly, or soon will be, so I shall write you a short letter. I received my Commission, with your note. I am getting along nicely. I have very good audiences here. I only preach here once, every two weeks. I could preach twice the day I am here as well as not, but can only get the honor for one service. I think there will be nine or ten to join in with us when our organization,

There are a couple of very nice
Indians, about four miles in
the country, members of the United
Ref. who, I understand will re-
vite, when we organize. They
have been out to preaching, but
I have not had opportunity to
talk with them. I was down
to Pebble Creek, fifteen miles
below, last Sabbath week. There
is quite a settlement, and
some very nice people, mostly
methodist. I only found one
Pers. I preached twice, to about
thirty persons. It was the
first time they ever had
preaching.

I am going up the River
to Fort Bend, about fifty
miles, next week.

I understand there are some
Pers. up there. There is a

little town, a mill, and
a thick settlement, on North
Fork. I have no way of go-
ing but by boarding a
stage wagon. So if I get
up there, I think I shall
stay two Sabbaths.

I will be here next Sabbath,
June 19th, then about the
22nd I shall start up ac-
tually, and shall not re-
turn before the sixth or
seventh of July.

I shall try and make
a thorough canvass while
I am gone, and hope to
be able to make a favorable
report. When can you be
here? The Sec. Sabbath of
July is the first one that
I can be here, unless I
make new arrangements of

that - will not suit you, or
you have any suggestions, for
me, I shall be glad to have
them.

I am much obliged for
the Evangelist. You must
have enjoyed the Assembly.

My kindest regards to
Mrs Jackson, also to Mr. Car-
roll -

Remember this field, as
well as myself, in your pray-
ers.

Dear Brother

I have much pleasure in sending you the Draft which you could not get before leaving this city. I hope it will reach you in good time. I have taken hold of my office work this morning, and find every thing at loose ends. I have just had a long talk with Dr. Ellenwood, who feels pretty sore under his disappointment, but not unkindly towards me. I wish it were practicable to have him associated with me now that we have gained our point. There is plenty of work to be done. Pray for me that I may be strengthened in my work.

God bless you in your work

I have 3 counties. Bro. Carroll
though says it makes no differ-

me money before and the
end of the quarter? I would
like very much to have at
least one month's salary.
I don't want to draw always

said you would see to it.
Did you? Address me at

We need a good man for

manent man, if possible.

I'll give way anytime.
I'm desirous of a departure

Dear Brother

Since I last wrote, I have been on the Elkhorn I staid at Norfolk over Sabbath - I wrote you in my last letter that the Congregational ^{Minister} was not making much progress in the way of building up a church.

But he had a week or so before I went up there, organised with ten members. He now preaches every Sabbath - once every two weeks, he preaches at a place several miles up the river. There is also a Lutheran Church organised there - Their minister preaches every Sabbath - Their number is quite large. The most of the settlers on the Elkhorn are Germans.

Rev. Wilson was up here on last Sabbath - He administered the Lords Supper ⁸⁴

There was a large number out
at bath-services Mrs. Ellas united
with the Church, formerly a member
of the Baptist Church Mrs. Hill
was not able to get out, or she would
have also united Good attention
was given to the services through^{out}
I have had but one letter from
you since I came here

Nothing more at present

Dear Bro. Jackson

I have your note of 18th. for wh. I thank you

I had not recd. a word from Wendell as to the future plan altho some time ago he said "the probabilities were that I should be wanted & to hold easy." There is a question on two upon which I am not yet clear as to duty. Still, if the Synod should see fit to indicate their pleasure as to my continuance that will be a help to their solution

One point of extreme delicacy will be my locating in C. B. & compelling Bro Carroll to go elsewhere -

If C. could be appointed for the Synod & go to some convenient point - without

pecuniary loss, or sacrifice
of preference - that would be
a help too - I expect to see
Bro. C. at Cedar Rapids week
after next.

If you can say a word to
any of our late C.S. brethren
with whom I have no acquaint-
ance in regard to my appoin-
tment, you will do me a fer-
vor wh. will be appreciated
and remembered - But I
do not propose to Electioneer
for the privilege of hard
work & little thanks -

I would rather see it the

wh. it doubtless will be, so
far as I am known by the
brethren - in Southern Iowa

 The section is a series of

Rev Sheldon Jackson;

Dear Sir,
just received a letter which
seems a mystery - I do not un-
derstand it - You remember
you said you would insure to
me 800 Dollars for this year,
You being Superintendent of
Missions in these regions I
took your word to be sufficient
security - I have the letter stating
that you would secure \$800 to me -
Now, is it right to insult and
honor a man at the outset of
his ministry as this letter does?
I will inclose a correct copy
of it - I cannot but think
there must be a mistake or
misunderstanding - I do not know

any thing about the writer -
He does not say what he is -
I can do nothing with this
letter until I hear from you.

Please write as soon as possible.

If Presbytery has voted to allow
me only 700 dollars I cannot
stay here - I can not live on
that amount, I believe I am
doing a good work on the field
but if Presbytery should undertake
to bore me in style of inclosed
letter it is more than I can
bear - Bro. Carroll was
here on 20th and he will, has
already I presume told you news
from this region - He said you
should have given me a com-
-mission - I hope you will immedi-
-ately right things and allow me
to go on with my work -

I am needing money now - I am,
Dear Sir very Respectfully,

Dr Bro.

The Presbytery of Missouri River at its last session ordered that your Church should be recommended to the Board of Domestic Missions for aid to an amount which should make your salary 700 dollars per year.

If you wish to take advantage of this, please to send to me, if you have not already sent to some other member of the committee, a statement of the amount your field can or propose to raise for your support during this current year, also a statement of the claims & prospects of your field.

Upon receiving these

statements, I will immediately
make out an application in
your behalf.

Dear Mr. Adams,

Mrs. Thompson has been
here ever since the 1st. Very
evening. At the same time
is at home, where he spent
a considerable part of
his time lately. He is not
expected to leave by a later
train.

As we have not anything
to do with the financial
matters of the company,
we can give you but little
information upon that point.
I would however tell you
the other day that we were
in the city, 414, because we
had a good deal of business
to do.

1
-I have given it over to him,
but he says he had no an-
other thing to do so,
and it would be a very irregu-
lar way of doing business. I
often hear in the mat-
ter, and so we have in the
middle of it, but we have thought
and I do not say it, as he
is rather partial in his
opinions.

In regard to the money,
subscribers' list, & was a great
at the number of a few at-
tending, but it was not
the thought that, with all
the expectations, all the in-
ventions are made to part.

But the has not a change
and we are the same even in
that time. Then we could
not say we are subscribers, the

hit the same as the first time,
and that it is now here con-
sistent with it, and will
be again. Very rare, in the
history of the last 200
years, when a subscription
in a way of benevolence
of the same sort, because
the cause was not built on
good nature, and they were ex-
posed to see the place in a
short time, and to see no inter-
est in the matter.

There lies the whole dif-
ficulty. The large majority of
the subscriptions were made
by good men, whose sub-
scriptions were made from pure
motives. Business was
then in the air, and it was
plain, and they felt that they could
do it without any particular sacrifice.

But a shame as some
business is all to state - money
in place - have have "one under"
all are, ~~passed~~ and so "one
more are of even right to a
vice my, out. Mr. Butler was
been in, if it is that - and in
t - and in matters, which are
wanting, then money, but in
p - success. It is very painful
to me to be uninvolved in these
difficulties, but if it is in the
will that we shall have a Pres
to learn should here, and believe
he will be in us - and, even
then he will be "so as to
give". I presume you will be
in the same as soon as it comes
more. Please let us know as you can -
Yours paternally

My Dear Br Jackson

The old Board has just held a meeting & ordered the payment of \$1000 for Cheyenne & \$400 for Rawlins and without further delay I send you a Draft for the money. I have received both your letters - last one dated the 24th. I agree with you that "Could the Bd at N.Y. know & they would with one voice &c"

But they do not know & would not approve of my going. I left N.Y. on last Monday in 15 minutes after they adjourned, without any one to take charge of the office. I requested them to employ Dr. Ellsworth, to which they agreed, but I know not, that he would consent to do so. Every thing there is at loose ends & I must hasten back

as soon as I can close up matters
here. I would like exceedingly to
go out West, now that I am thus
